My dear Mr Garrison;

My friend,

Dora Weston requests me to
write to you respecting the
death of her beloved brother,
Pr. Warren Weston of New-York.
He departed this life on the
4th after a short illness.

Mrs Chapman went to
N.Y. on learning her brother's
illness & was expected at
Weymouth yesterday morning.

I hear from them al-
most daily.

It is a long time since
I have seen, or heard any
thing of Mrs Garrison, and
your family.

Pray let me
know of their, & your own
welfare.

With sincere regard,
Truly yours,
M. G. Chapman.
